

# Invitation to the Czech Junior's National Gliding Championship in Vysoke Myto 31.7.-12.8. 2016

The Aeroclub of the Czech Republic and Aeroclub Vysoke Myto kindly invite all juniors from other countries to participate in the Czech Junior's National Gliding Championship held in Vysoke Myto airfield.

## Place and organizer:

Vysoke Myto airfield (LKVM)

Vysoke Myto is situated in the east part of Bohemia (150km east from Prague). The terrain around the airfield is lowland with a good access to mountains in the north and highland in the south. Therefore, flying is possible even in a complicated weather situation.

The Vysoke Myto airfield is equipped with two grass runways (1200m and 1000m) and asphalt strip (600m). Local aeroclub has organized five successful competitions during last ten years (the last was the Czech National Championship in 2013).

## Schedule:

Final entry: 15.07.2016  
Official training: 27. - 30.7.2016  
Welcome briefing: 30.7.2016, 20:00 local time  
Competition period: 31.7. – 12.8. 2016  
Price giving ceremony: 13.8.2016

## Competition classes:

Club class  
Kombi 15 class (standard class + 15m class gliders)

CZIL handicap list will be used ([http://www.gliding.cz/souteze/2016/pmcr\\_j/dokumenty](http://www.gliding.cz/souteze/2016/pmcr_j/dokumenty))

## Qualification for entry:

All juniors according to SC3 2015 that means born after 31.12.1990.  
Pilots from foreign countries are warmly welcomed.

## Accommodation:

Camping at the airfield is possible with trailer or tent.  
Limited amount of bedrooms is available at the airfield.  
There are some hotels in the vicinity of the airfield.

## Application and other information:

Detailed information about competition and application form will be available on the website:
