Competition Classes

- **Club class**
- **15 meters Class**
- **Handicapped Multi Class**

The minimum number of competitors per class is 10. Maximum number of all the entries combined is 90 (including reigning champions in the appropriate classes).

Each class will be handicapped according to CZIL (Czech Index List), which will be published on official website of the competition.

Entry and Qualification Rules

Application for entry shall be accepted only on the official entry form, which will be possible to find on the official website, and accompanied by the entry fee and deposit in full. Incomplete entry forms or those containing inaccurate information will not be accepted. Entries will be accepted until the end of entry period. If the number of entries in a class will exceed the limit for the maximum number of entries (see Section Competition Classes), reduction of the number of entries will be done according to SC3A Annex A, Appendix 1. Entry fees for the entries involved will be returned. Pilots and Team Captains are required to make an online registration with some reference data (ID picture not necessary). All further communication between the Organizer and the Competitors will be performed through the nominated Team Captain.

Entry Fee and Deposit

Entry fee is 4000 CZK (150 EUR) per participating glider. Deposit for participating gliders is not mandatory, however, every competitor is bound to have positive account status.

These amounts shall be paid until deadline using the information provided in Section Bank Transfer Details. Please indicate the names of the competitors in the comment field at money transfer.
